Proven performance and reliability to deliver maximum investment protection.

HP Compaq 6005 Pro Desktop PC series

Packed with high performance features, the HP Compaq 6005 Pro Business PC is energy efficient and well equipped to go beyond meeting your daily business demands. Enabled for manageability with DASH 1.1, you can also choose the productivity and security features that best suit your everyday needs with a PC designed to exceed your expectations.

Designed to deliver

Enhance your capabilities with the latest AMD Business Class technology: processors and chipset that provide exceptional performance while operating as efficiently as possible. Integrated ATI Radeon 4200 graphics with ATI Avivo™ and DirectX 10.1 provide a stunning visual experience. Dual monitor capability also comes standard for easier multitasking.

Use less, save more

Improve your bottom line with energy efficient features like an optional 89% energy efficient power supply, integrated side port memory, which allows the PC to go into a deep sleep at idle and Cool'n'Quiet technology, can help you save costs by reducing energy consumption.

Easy to deploy and manage

Streamline business processes while lowering IT costs and operating expenses with DASH and other manageability features that allow for more efficient planning, deployment and transition of your PCs. You get access to a suite of client management tools, 12+ month product lifecycle and global SKUs to meet your world-wide needs.

Simplified serviceability comes in the form of tool-less hood removal, drive bays and slots as well as internal quick release latches, green pull tabs and color coordinated cables and connectors.

Security that's right for you

Help your investments be more secure with the embedded TPM 1.2 security chip that helps provide enhanced data protection and limits system access through hardware-based encryption. HP SmartCover solenoid hood lock and sensor provide a new layer of chassis security. Add HP ProtectTools modules to further enhance your first line of defense.

Deploy a PC that helps promote energy efficiency, delivers advanced visual productivity and provides headroom for future technology expansion – With the HP Compaq 6005 Pro Business PC, the only thing you won't experience is compromise.
