

AMR1AP

Articulating single Monitor Mount

This incredibly versatile product supports up to 26" monitors with a maximum individual weight of 22.1lbs. Not only will this strong and sturdy mount have no trouble holding a VESA certified 75x75 or 100x100 monitors, (fitting the above criteria), it is also extremely adjustable!

- Each monitor can be placed at a different height to accommodate different sized monitors.
- The monitor has 360° rotation, meaning landscape, portrait, or anything in-between.
- Tilt and Swivel and Rotation is provided in 5 places ensuring maximum adjustability:
 - Swivel in the hinge: +/- 90°
 - Tilt in the hinge: +90°/-20°
 - Tilt in the arm: +65°/-30°
 - Rotation about the pole and main arm: 360°
- Height adjustable, with a maximum height of 16.46" (from the desk to the centre of the mounting device)
- Extendable with a max horizontal extension of 16.54" from the rear edge.

This mount works with an innovative grommet structure, the best of both the clamp and stand bases. It takes up less space than the stand, has no overhang off the desk like the clamp. It is an excellent solution for your various mounting needs.

Specifications

• General		Screw Type:	• M4
Max Hole Pitch:	• 100x100/75x75mm	Dimensions(W*H*D):	• 420*475.5*123 mm 16.54" x 18.7" x 4.84"
