

# 1m Thunderbolt 3 USB C Cable (40Gbps) - Thunderbolt and USB Compatible

Product ID: TBLT3MM1MA

This Thunderbolt<sup>™</sup> 3 (40Gbps) cable lets you connect to any Thunderbolt 3 (USB-C<sup>™</sup>) port to deliver video and data to your Thunderbolt and USB devices. Plus, the cable can provide power for charging your devices.

#### Faster data transfers when connected to Thunderbolt devices

This cable supports data transfer rates of 40Gbps when connected to a Thunderbolt 3 device, so you can transfer photo and video files at four times the speed of a USB 3.1 Gen 2 (10Gbps) cable. For example, you can transfer a 4K movie in seconds.

#### **USB-C** compatible

You can also use the Thunderbolt 3 cable to charge and sync your USB 2.0, USB-C mobile devices.

#### Full 5K video or dual 4K video

The cable supports up to 5K 60Hz video for astonishing resolution, contrast, and color depth with a Thunderbolt monitor. It can also be used with a Thunderbolt 3 dock to drive dual 4K displays.

This cable does not support native DisplayPort 1.2. You cannot connect your Thunderbolt 3 laptop directly to a DisplayPort monitor using this Thunderbolt 3 cable.

#### **Versatile power delivery**

This Thunderbolt 3 cable delivers up to 60W of power for charging a laptop. It lets you keep your Thunderbolt 3 devices powered without having to carry around an additional power supply.

#### Thunderbolt networking

The cable gives you an easy way to bridge multiple Thunderbolt 3 USB-C enabled laptops for peer-to-peer 10GbE networking. It's perfect for setting up small workgroups and sharing peripherals such as printers and storage. You can also connect two Thunderbolt 3 laptops together, for easy PC migrations.

The TBLT3MM1MA is backed by a 2-year warranty.

## Certifications, Reports and Compatibility

#### **Applications**

- Connect to any Thunderbolt display or data device
- Connect your Thunderbolt 3 laptop to a docking station, and power your laptop at the same time, with the same cable
- Set up peer-to-peer networking for multiple Thunderbolt 3 laptops
- Connect, charge, and sync your USB mobile devices

#### **Features**

- Thunderbolt Certified
- Provides up to 60W of power delivery
- Supports 40Gbps data throughput
- Compatible with Thunderbolt and USB devices
- Supports Thunderbolt, 5K and Ultra HD monitors
- Single-cable docking while powering your laptop at the same time

### **Data Sheet**

|                                 | Warranty                  | 2 Years  |
