DICOTA Slim Case PRO 12-14.1"

Professional bag with sleek design

Slim Case PRO reliably accompanies you everywhere and meets the highest standards in terms of quality, functionality and protection. Thanks to the fitall system, Slim Case PRO perfectly holds notebooks of various sizes. The durable padding with shock-absorbent EVA frame protection offers optimal safety for your device. Anti slip technology ensures that your notebook stays in place and that the shoulder strap does not slide.

The fitall system separating wall in the notebook compartment lies protectively around your device and fits automatically to sizes from 12-14.1". The perforated and thus light EVA foam material optimally protects the edges of your notebook. The high-quality genuine leather handles ensure comfortable transportation for daily use. Besides the notebook compartment, Slim Case PRO features a well-padded slip pocket designated to tablets up to 10". Furthermore the bag offers generous storage space for documents at the back of the case. The front pocket allows you to organize your personal equipment and additional mobile accessories. With its trolley fastening strap, Slim Case PRO ensures perfect comfort when travelling along with luggage. DICOTAs attention to detail makes this bag one of your most reliable business partners!
