

## Screen Guard Transparent Overlay for the new iPad

The totally transparent overlay keeps your screen safe without changing its appearance.

Part # P-F8N798

### Protection Without Distraction

The totally transparent overlay keeps your screen safe without changing its appearance.

### Defend Your Device

Avoid damage without affecting your touchscreen's functionality. Strong yet thin and lightweight, the overlay provides excellent protection that will help keep your device looking like new.

### Tru Clear™

See your screen, not the overlay. Tru Clear™ technology ensures optimal screen visibility.

### Fast Install

Applying the overlay is fast and easy. Simply clean your phone screen with the included cleaning wipe, peel the overlay from its backing and place it onto your screen. Then use the included smoothing card to push away creases and bubbles.
