

Spec Sheet

# mSATA to SATA HDD / SSD Adapter – Mini SATA to SATA Converter Card

StarTech ID: MSAT2SAT3

The MSAT2SAT3 mSATA to SATA adapter enables you to connect a standard SATA drive to an available mSATA port.

The adapter improves system capacity by enabling an mSATA port to host a larger SATA hard drive (tested up to 4TB). For guaranteed compatibility and performance the adapter is compliant with SATA I/II/III revisions, allowing for transfer speeds up to 6Gb per second.

The MSAT2SAT3 is backed by a StarTech.com 2-year warranty and free lifetime technical support.

#### Applications

- Add a larger SATA hard drive to a system board that only supports mSATA
- Turn an unused mSATA port into a supporting SATA port to connect a standard SATA hard drive

## Features

• Compliant with SATA revision I/II/III (1.5/3.0/6.0 Gbps)

Hard-to-find made easy\*
