

36in Right Angle SATA Cable
StarTech ID: SATARA36

This 3ft right angle Serial ATA cable guarantees you'll be able to plug in your high-performance SATA hard drives no matter how tight your space is, using right angled SATA connectors that reduce the amount of space required at the connection point.

Featuring a narrow yet durable construction, and right angled SATA data connectors on both ends of the cable, these flexible cables improve airflow and reduce clutter in your case, helping to keep the case clean and cool.

Constructed of only top quality materials and designed for optimum performance and durability, this right angled SATA cable is backed by our lifetime warranty.
