Mini 4 Port USB 2.0 Hub

StarTech ID: ST4200MINI

The ST4200MINI Mini 4 port USB hub allows you to turn a single USB connection into four USB ports, and based on a small form factor design, requires minimal space to install.

An ideal laptop accessory for maximizing the number of available USB device connections, the mini four port USB hub operates on low levels of power, helping to ensure that you get the most out of your notebook battery.

The mini four port hub supports Hi-speed USB 2.0 data transfers of up to 480 Mbps, and since the hub is backwards-compatible with previous versions of USB, your older USB peripherals will work perfectly as well.

Applications

- Make hard to access/tightly packed USB ports more accessible, by being able to position hub somewhere different
- Expand your systems USB capabilities by adding additional USB ports

Features

- High Speed USB 2.0 compliant host interface, with supported data transfer rates up to 480 Mbps
- Ultra compact and portable "Pocket" sized design
- Powered directly from the USB port
- Plug and Play and hot swap compatible

Technical Specifications

Warranty	2 Years
Ports	4
Interface	USB 2.0
Industry Standards	USB 2.0
External Ports	1 - USB A (4 pin) Male
External Ports	4 - USB A (4 pin) Female
Maximum Data Transfer Rate	480 Mbps
OS Compatibility	OS independent; No software or drivers required
System and Cable Requirements	USB 2.0 speeds only possible with an USB 2.0 computer
System and Cable Requirements	USB capable computer
Color	Silver
Enclosure Type	Plastic
Product Length	90 mm [3.5 in]
Product Width	20 mm [0.8 in]
Product Height	13 mm [0.5 in]
Product Weight	0.1 kg [0.1 lb]
LED Indicators	1 - Power
Output Current	0.5A
Operating Temperature	0 to 40
Storage Temperature	0 to 85
Shipping (Package) Weight	0.1 kg [0.1 lb]
Included in Package	1 - 4 Port USB Hub
Included in Package	1 - Instruction Manual
