

BEAMER-C300

NEWSTAR BEAMER CEILING MOUNT

The BEAMER-C300 is a universal ceiling mount for beamers and projectors. The height from the ceiling to the beamer is 15 cm.

The NewStar BEAMER-C300 is a universal beamer/projector ceiling mount.

By using this mount you can easily tilt, rotate and swivel the beamer/projector. The product can be used with every beamer. The cage-construction makes it possible to also attach beamers without a hole pattern. The distance from the ceiling to the beamer is 15 cm. This model fits virtually every projector weighing up to 15 kg.

This product is a complete ceiling solution that includes all possible installation material.
