

HP Bluetooth® Mouse Z5000

The mouse for nearly any situation or device

This mouse provides Bluetooth® freedom with every major operating system including Windows, Mac, Chrome and Android.

Designed for a life on the go

- Your PC or tablet is thin and so should your accessories. This mouse is the perfect balance of portability and comfort.

Crafted for simplicity

- No software to install. The familiar mouse experience is a key product feature, as you may not want to learn touch scrolling or gestures.

Bluetooth® connectivity

- Every USB port is sacred! Save yours by using the Bluetooth® connectivity built into the Z5000. Bluetooth® connects directly to the PC with no USB dongle needed.
