

Articulating Wall Arm

For 10" to 26" LCD Screens

NEW!

It's easy to get the best viewing position when you can effortlessly pull out the screen from the wall, position it in almost any direction, even turn it around corners and then smoothly return it to the wall when finished. Level the screen at any time, even after installation, for that picture perfect end result. Never worry about cables and cords getting in the way; cable management delivers a clean clutter-free look to any installation.
