Title	Apex 300																																			
Description	Introducing the Apex 300, a sleek, low profile gaming keyboard. Designed for quick reflexes, it features low profile, low action keys. The raised macro keys above the F- keys enable you to simply slide your finger from the macro key down to the F-key for devastatingly fast key combinations. With brilliant white illumination, the Apex 300 delivers the essential features you need for victory.																																			
Features	- Low profile keys for great feel with short travel distance and fast response time - Ergonomically elevated F and macro keys - SteelSeries Engine drivers everything including illumination, macros, and profiles - 1 color Backlighting - 17 Macro keys (2 layers – 17 keys) - Media Controls
