

Arc XL

The Arc XL brings forth a balanced combination of airflow, water-cooling and high-performance component configurability in a minimalistic and sleek full-tower form. Its strength lies with the extensive cooling options allowing the possibility to install multiple graphics card set ups into a supercharged system.

The case is filled with smart features such as simple-clean dust filters, integrated fan controller, flexible hard drive mounting, window side panel and plenty of space for tidy cable routing. It also comes equipped with three high quality Silent Series R2 fans contributing to maximum airflow straight out of the box.

Key features

- Delivering maximum airflow within a sleek and minimalistic body design
- Spacious internal layout with 9 PCI expansion slots allowing the biggest, most demanding components and cooling setups
- Designed for extensive water cooling configurations, accommodating multiple thick 240mm radiators and slim radiators up to 360mm in length with space to spare for pumps and reservoirs!
- Offering added value with three Silent Series R2 fans included, giving you excellent cooling straight out of the box!
- Featuring a three-speed fan controller strategically integrated in the front panel for easy access
- With multiple easy-to-clean dust filters designed into the case, you can ensure a dust free interior
- Providing ample storage capacity with a flexible hard drive mounting system for up to 8 x 3.5" drives while accommodating an additional 2 x 2.5" drives behind the motherboard
- Innovative SSD position mounting, using brackets to allow for easy access once your system is completely built
- Featuring a window side panel to show off your set up in style

General Specifications

Motherboard compatibility	<ul style="list-style-type: none"> • ATX, Micro ATX, Mini ITX, E-ATX, XL-ATX
Front interface	<ul style="list-style-type: none"> • 2 - USB 3.0, 2 - USB2.0 • Audio in/out • Power button with LED (blue) • HDD activity LED (red) • Reset button • Fan controller
Drive bay capacity	<ul style="list-style-type: none"> • 4 - 5.25" bays • 8 - 3.5" HDD trays - all compatible with SSDs • 2 - 2.5" dedicated SSD positions
Expansion slots	<ul style="list-style-type: none"> • 9
PSU compatibility	<ul style="list-style-type: none"> • ATX PSUs up to 190 mm deep when using the bottom fan location; when not using this fan location longer PSUs (up to 345 mm deep) can be used
Graphics card compatibility	<ul style="list-style-type: none"> • Graphics cards up to 330mm in length with the top HDD cage installed • With the top cage removed, graphics cards up to 480mm in length may be installed
Cooling / Ventilation	<ul style="list-style-type: none"> • 7 - Fan positions (3 Silent Series R2 fans included) • Filtered fan slots in front, top and bottom • CPU coolers up to 180 mm tall
Additional information	<ul style="list-style-type: none"> • 26 mm of space for cable routing behind the motherboard plate • Thick rubber grommets on all holes on the motherboard plate • Window side panel included
Colours available	<ul style="list-style-type: none"> • Black
Case dimensions (WxHxD) (mm)	<ul style="list-style-type: none"> • 232 x 572 x 552
Net Weight - case (kg)	<ul style="list-style-type: none"> • 13.8
Package dimensions (WxHxD) (mm)	<ul style="list-style-type: none"> • 322 x 625 x 635
Package weight (kg)	<ul style="list-style-type: none"> • 16.3
Package contents	<ul style="list-style-type: none"> • Arc XL computer case • User manual • Accessory box

Cooling System

Front	<ul style="list-style-type: none"> • 1 - hydraulic bearing 140mm Silent Series R2 fan, 1000 RPM speed (included) • 1 - 120/140mm fan (not included)
Rear	<ul style="list-style-type: none"> • 1 - hydraulic bearing 140mm Silent Series R2 fan, 1000 RPM speed (included)
Top	<ul style="list-style-type: none"> • 1 - hydraulic bearing 140mm Silent Series R2 fan, 1000 RPM speed (included) • 2 - 120/140mm fans (not included)
Bottom	<ul style="list-style-type: none"> • 1 - 120/140mm fan (not included)
Fan controller	<ul style="list-style-type: none"> • 1 - integrated fan controller for up to 3 fans (included)
Water cooling compatibility	<ul style="list-style-type: none"> • Front – 240mm radiators (thick and slim) when HDD cages are repositioned or removed • Top – 240mm radiators (thick) or 280 and 360mm radiators (slim) • Bottom – 120mm radiators • Rear – 120/140mm radiators
