Intro Phrase / Tagline	The OCZ CoreXStream Series is the ideal value upgrade to satisfy essential computing needs
Product Full Name/Title	OCZ CoreXStream Series 500 Watt Power Supply
25-Word Product Description	The OCZ CoreXStream Series is the ideal value upgrade to satisfy essential computing needs with worry-free compatibility.
100-Word Product Description	The OCZ CoreXStream Series is the ideal value upgrade to satisfy essential computing needs with worry-free compatibility. The PSU is kept supremely cool with a load-controlled 120mm fan to remain quiet under load, and provides ample cable lengths for your home system application. Featuring up to 80% efficiency under typical load environments, this power supply remains rock solid and stable under pressure. Combined with a sleek look and elegant black powdercoat finish, you can be rest assured this PSU will look as good as it performs in your home office system.
Product Features	<ul style="list-style-type: none"> • Ideal value option for home users and upgraders on a budget • Ample cable lengths to suit various applications and system configurations • Continuous output rated at 30°C ambient temperature • 80% efficient at typical loads • Dual +12V rails for efficient power distribution in your system. • Compliant with ATX12V v2.2 standard for worry-free compatibility • A temperature and load controlled 120mm fan for whisper quiet operation • ErP compliant for low power usage in standby • Active Power Factor Correction (PFC) to effectively regulate input voltage • Heavy-duty protection circuitry, (over-voltage, over-power, and short circuit) for protecting your valuable components • Safety Approvals: CUL, CE, CB, FCC Class B, TÜV, CCC, C-tick • Elegant black powdercoat finish for a sleek and simple look • 3-Year OCZ PowerSwap Warranty, no endless return-for-repair loops

Specifications	OCZ-CXS500W																					
	AC Input	230Vrms, 5A, 50Hz																				
	Output Voltage	+3.3V	+5V	+12V1	+12V2	-12V	+5VSB															
	Max. Load	24A	15A	25A	20A	0.3A	2.5A															
	Max. Combined	120W		444W		3.6W	12.5W															
	Total Output	500W
