

DISPLAYPORT TO HDMI[®] ADAPTER

Connect Laptops, PC's and tablets to displays with HDMI input

The V7 DisplayPort to HDMI Adapter lets you connect your PC's, laptops and tablets as well as other products with a DisplayPort to a high definition monitor, projector, or TV that uses a HDMI connector. Supports display resolutions up to 1920x1200 / 1080p for viewing Full HD video with 7.1 digital surround sound. An LED indicator on the adaptor visually shows the status of an active link so you'll always know if you have a good connection.

- Connect your electronics with DisplayPort output to devices with HDMI input using a HDMI cable
- LED indicator to shows active connection
- Plug and Play, no installation software or drivers required
- Supports display resolutions of up to 1920x1200 1080p HDTV and 7.1 digital surround sound
