

Screen Guard Transparent Screen Protector for iPhone 5 - 3 Pack

Overview

Protection Without Distraction

The totally transparent protector keeps your screen safe without changing its appearance.

Defend Your Device

Avoid damage without affecting your touchscreen's functionality. Strong yet thin and lightweight, the protector provides excellent protection that will help keep your device looking like new.

Tru Clear™

See your screen, not the protector. Tru Clear™ technology ensures optimal screen visibility.

Fast Install

Applying the protector is fast and easy. Simply clean your iPhone 5 screen with the included cleaning wipe, peel the protector from its backing and place it onto your screen. Then use the included smoothing card to push away creases and bubbles.
