

MIXIT↑ Aux Cable

Connect your iPod or iPhone to your car stereo, home stereo, portable speakers, sound card or any device that has a 3.5mm jack.

Overview

Plug In, Play Anywhere

90° Less-Stress Connection

Connect your iPod or iPhone to your car stereo, home stereo, portable speakers, sound card or any device that has a 3.5mm jack. The right-angle plug connects flush against your device, preventing damage to the cable or accidental removal. The cable's flat design prevents it from getting tangled.
